Buy Mart Etiquette

The Spring/Summer 2025 Buy Mart Directory is a publication put together to help guide you through the show. ***Please read it.*** It contains a sales representatives directory, advertisements and a master brand index. This book is a useful guide, and hopefully you will take it back to your store for future reference.

Please organize yourself. It is very important that sales representatives and buyers be on time for appointments. Pre-book as many appointments as you can for the show. During “buying by appointment only” times, ***please stay out of booths where appointments are in progress.***

Please leave any suggestions at the registration desk. Your new ideas will help to make a better Buy Mart.

Thank you,
Brian Schaun, Manager
